

# Watch & Learn Registration Package

**CheerExpo National Championships**  
**Halifax Forum, Halifax, Nova Scotia, Canada**  
**March 25<sup>th</sup> – 26<sup>th</sup>, 2017**

## What is the Watch & Learn Bracelet?

A watch & learn bracelet allows you access to all Saturday and Sunday classes at the CheerExpo. Expert instructors are brought in from all over North America to teach the latest tips, tricks and training techniques for every aspect of competitive cheerleading and dance. Athletes and coaches of competing teams automatically get passes to all classes included in their competition registration. But what if your team is not competing? What if you are not on a team at all? Then the watch & learn bracelet is for you! It is your all access pass to everything that makes CheerExpo unique!

## Will I have to purchase separate spectator passes?

No. Watch & Learn bracelets are spectator passes too.

## Can I purchase a Watch & Learn Bracelet for one day only?

No. The bracelets are only sold as a two day package. Of course, that does not mean that you have to attend both days.

## How do I sign up for classes?

Classes are first come, first served. There is no advance registration per class. One week before the event, the class schedule will be posted on the website along with the complete competition schedule. You can check out last year's schedule on our website to give you an idea what to expect. Figure out which teams you can't miss and which classes you want to attend. During the event, just show up a few minutes early for each class to make sure you get in. And make sure you leave time to browse the CheerExpo shopping mall with exhibitors from all over the world selling everything cheer and dance!

## Who can purchase Watch & Learn Bracelets?

Anyone (ages 5 and up) may purchase a Watch & Learn bracelet including parents, friends, school administrators, athletic directors, and anyone interested in becoming involved in the sport. The classes are designed to be informative to all age groups so whether you are 5 or 65, you will learn something. You can also purchase them as a gift for someone else. Please keep in mind that anyone 18 years of age or younger must be accompanied by an adult (over the age of 21) to the classes. The adult must also purchase a Watch & Learn bracelet and fill out a waiver form. If you are a team, the coach or an adult parent/designate must accompany the team to classes if members are 18 or under.

## What is the cost?

Watch & Learn Bracelet cost \$50 plus tax (15%) per person if purchased before January 7th, 2017. After January 7th, the cost is \$60 plus tax per person. Please note: In order to qualify for the early rate, payments must be RECEIVED by January 7th. **Also please note that unlike competing teams, there are NO free coaches for teams/groups purchasing Watch & Learn Passes.**

## How To Pre-Register for a Watch & Learn Bracelet:

Send a completed waiver form for each bracelet requested and a certified check, bank draft or money order for the total amount plus 15% tax to: **CheerExpo, 13 Newport Drive, Petawawa, Ontario, K8H 0C9**. Payment must be made as a group. Personal cheques will not be accepted. Groups can use the registration form below or email in a team list (see form so you know what info we need). **All advance orders of Watch & Learn Bracelets must be received by February 18th.** Otherwise, they will have to be processed at the event. Make certified check, bank draft or money order payable to CheerExpo. In the subject line (Re:) please write: **Watch & Learn Pass**. Email money transfer is also accepted.

## It's after February 18th...How do I register at the event?

Have your group list ready and have completed waivers for each person in the same order as they are on your team list. Have one certified cheque, money order or bank draft made out to CheerExpo (cash is accepted as well). Present all of this to the ladies at the registration desk and they'll issue you the bracelets. There is no extra charge to register at the event but you may have to wait in line and it does take a few minutes to confirm all of the paperwork. Also note that anyone that has pre-registered will take priority over those in the line.

**NEW – No time to mail? Scan and email in your forms and pay with an email money transfer to [info@cheerexpo.net](mailto:info@cheerexpo.net), OR pay with a credit card via Paypal. Just add a 4% convenience fee to your order to pay via PayPal. Again, this must be done by February 18<sup>th</sup>, otherwise you will have to register at the event.**

## Picking up your bracelets:

- Individuals and groups will pick up passes during event hours. If you are purchasing watch & learn passes as a group, the coach of the team (or designated contact person of the group) will pick up the passes from the registration desk and distribute them to the group. The passes can be picked up any time during event hours, or, on set up day (Friday March

24th) between 3pm and 5pm. When the designated person picks up the passes, they must pick up all passes at once. Do not leave bracelets at the front desk "to be picked up" by other individuals in your group.

### **Wearing your bracelet:**

Once you have your bracelets on your wrist, you do not have to worry about the registration line ups again. Each time you leave, just show security your bracelet before you re-enter. They must be worn at all times on the wrist. The passes should be put on tight enough so they do not slip off but not so tight that they cut off circulation. This is to prevent people from handing their passes to their friends to get in. Our main concern with this is that people who are not covered by our insurance policy could get into classes or the practice space this way. We must have a waiver form for each person in the class spaces so we have medical information on file in the event of an accident. They are waterproof so no need to worry about swimming in the pool at your hotel (if applicable). They should only come off if ripped or cut off. If this happens, you can get your bracelet replaced at the registration desk or the info booth but you must have the old one to pass in. If the old bracelet is lost, it will have to be re-purchased.

### **Class Space Rules:**

- **Absolutely no food or drink permitted in the Class Spaces (except water).** There is also no food or drink permitted on or around the competition floor or practice mats. This includes suckers and GUM.
- No outside footwear is permitted in the class space or practice space! This includes coaches! If you only have outside footwear, please remove your footwear when entering the room and especially before walking on the mats. Bare feet are not permitted so if you are not bringing a clean pair of sneakers to wear inside....bring socks! No high heel shoes on any equipment (mats, spring floors, etc).

**Competition & class schedules will be posted one week before the event on the home page our website.**
