

# CheerExpo Nationals Summit Bid Process

We are excited to offer bids to the Summit and Youth Summit at CheerExpo Nationals 2025 as an Event Partner with Varsity Spirit. We will be awarding:

- The Summit: 3 At-Large Bids
- The Youth Summit: 2 At-Large Bids

Since CheerExpo is late in the competition season, Summit bids earned at CheerExpo Nationals will be valid for the next season only. Bids earned in 2025 must be used at the 2026 Summit / Youth Summit.

## CHANGES IN DIVISION:

These bids are very flexible since tryouts for a new season will happen between when you earn the bid and when you use the bid. Once a bid is earned at CheerExpo Nationals, teams are allowed to change divisions in the following ways:

- Teams may go **up** one IASF level – if a team won & designated a bid for IASF level 3, but the following year, created an IASF level 4 team, they would be able to register in IASF level 4.
- Teams may go **up** one age group – if a team designated & won a bid in an IASF U16, but the following year, created an IASF U18 team, they would be able to register in IASF U18.
- Teams may **NOT** go up in both age and level, it can only be one or the other.
- There are currently no roster maintenance requirements. Examples:
  - there is no requirement to keep or restrict to the same number of athletes that earned the bid
  - there is no requirement to keep any percentage of the same athletes or coaches
  - the name of the team may change if during tryouts the gym decides to re-name teams, etc.
- Teams may NOT move from the Youth Summit to the Summit or vice versa.
- Teams may NOT change from All-Girl to Coed

**NOTE:** Teams must still be eligible for the division they compete in at the Summit the next season. Example: If a 16-year-old competes for a bid at CheerExpo but ages out of that division the following season they would not be permitted to compete at the Summit in the U16 division.

## ELIGIBILITY REQUIREMENTS

The following selection and eligibility requirements will apply:

## **RESTRICTIONS:**

- Only Canadian-based teams are eligible to receive bids
- Teams must compete in-person in order to be eligible for Summit bids
- Teams must be registered and compete in an IASF Summit eligible division.

## **DIVISIONS:**

- Please see the IASF Summit Bid eligible division list (as released by Varsity Spirit). For the Summit, please review the Summit Info Guide for International programs here: [https://www.varsity.com/wp-content/uploads/2024/08/VAS\\_INT\\_Summit\\_InfoGuide\\_25-2.pdf](https://www.varsity.com/wp-content/uploads/2024/08/VAS_INT_Summit_InfoGuide_25-2.pdf)
- For the Youth Summit please review the divisions and information on Varsity Spirit website for the Youth Summit. Canadian teams will compete in the D1 USASF divisions and a minimum of 1 team per non-US country will advance to finals at the Youth Summit.
- All teams must be eligible for the IASF Division bid path they choose, including age, total numbers, and gender. No age exceptions will be allowed when competing at the Summit, regardless of exceptions a country may be allowing during a given year.
- Note that the minimum number of athletes is 16 in IASF divisions at the Summit.
- Non-U.S. teams are not eligible to compete at the USASF DII Summit subdivisions, they must compete at The Summit in an IASF division or the appropriate USASF division for The Youth Summit

## **SELECTION PROCESS:**

Bids will be awarded based on the recommendations of the judging panel. Top scores within each division will absolutely be a factor, but not the sole determinant in the judges' recommendations. Other considerations include:

- Comparison of scores across panels
- Consideration given to division of levels across multiple judging panels
- Consideration of participation and excellence within each level as compared to participation/excellence in other levels (*IE number of competing teams in the level and competitiveness of teams within the level*)

## **REVEAL:**

*Note:* Bids earned in Canada through partner event producers are not included in the traditional Varsity reveal. Bid reveal will happen either live at CheerExpo Nationals during the award ceremony, **OR** be announced on social media by CheerExpo with 48 hours of the event.

## **SCORING:**

Cheer Canada score sheets will be used.

## **TIE BREAKER POLICY FOR SUMMIT BIDS:**

In the event that there is a tie for an AT-LARGE Summit Bid, the tie will not be broken. Both teams will be awarded a bid to the Summit as long as both teams have opted in.

## **ROLL DOWN BIDS AND DEFERRED BIDS:**

Bids do not roll down. If a team receives an At-Large bid and then upgrades to a Paid Bid at another event, the original At-Large bid cannot be given to another team. It is eliminated. Bids can only be used in the intended season...they cannot be deferred an additional season.

## **ETHICS:**

Bids are not to be used as a recruitment tool. Any program found to be utilizing their bid to solicit athletes from other programs may have their bid revoked and be banned from future events. Teams with ineligible athletes may be declared ineligible. Please be familiar with the IASF Summit Bid division eligibility as outlined by Varsity Spirit.
